

ABU DHABI SCHOOLS - COVID-19 TESTING SCHEDULE FOR STUDENTS

Guiding Information:

Who needs to get tested?

All students above the age of 12 years who will be physically attending school need to get tested and present a negative test result before physically attending school. Students of determination and full time distance learning students are exempt from taking the test.

Will I have to pay for the COVID-19 test?

Tests will be provided free of charge at the designated test dates and centers included in the schedule provided below (21 - 31 December). To avail the free test, you will be required to provide your school code at the testing center. Kindly contact your school to obtain the school code.

What if I prefer to take the test at an alternative date or location?

Parents can choose to get their children tested at any private or public healthcare facility at their own expense; in which case tests must be taken on 21 December onwards.

What type of COVID-19 test will be accepted?

The only type of accepted COVID-19 test is the PCR test.

What if my family travelled over the holidays and are in quarantine?

Parents and students coming back from international travel must follow the guidelines set by UAE health authorities. In all cases, students aged 12+ must present a negative COVID-19 test result before physically attending school.

Date: 21 December 2020

Time: 8:00 AM to 7:00 PM
