STUDENT BEHAVIOR

Introduction

Schools have a responsibility to ensure that they are positive and safe places to learn. By setting clear expectations for student behavior and actively addressing behaviors of concern, schools can foster secure, respectful, welcoming, and enriching environments. In setting standards for individual and collective behavior and promoting the cultural values of the UAE, schools position their students to become positive citizens within the wider community.

This policy sets out the basic requirements for schools in defining and implementing a Student Code of Conduct, and in establishing systems to promote positive behavior.

Purpose

- Set out measures to proactively encourage positive student behaviors and to prevent and address behaviors of concern.
- Clarify expectations for student behavior through a Code of Conduct with a unified set of minimum requirements.
- Instigate bullying prevention through a targeted school-level policy.
- Support students who are finding it challenging to meet behavioral expectations through appropriate intervention.
- Outline requirements for dealing with student misconduct through a staged approach.

Definitions

Absence	<p>The state of not being physically present in class/at school.</p>
Absence rate	<p>The proportion of absences to school days as per the approved school calendar. If the student was admitted mid-year, the absence rate is calculated from their joining date.</p>
Additional Learning Needs	<p>Individual requirements for additional support, modifications, or accommodations within a school setting on a permanent or temporary basis in response to a specific context. This applies to any support required by students of determination and those who have special educational needs and/or additional barriers to learning, access, or interaction in that specific context (e.g., dyslexic, hearing or visually impaired, twice exceptional, or gifted and/or talented).</p> <p>For example, a student with restricted mobility may require lesson accommodations to participate in Physical Education and building accommodations to access facilities but may not require any accommodations in assessments. Equally, a student with hearing impairment may require adaptive and assistive technology to access content in class and may also require physical accommodations (e.g., sit in the front of the class to be able to lip read) to access learning.</p>
ADEK Wellbeing Policies	<p>The group of ADEK policies that relate to student and/or staff wellbeing includes the following policies:</p> <ul style="list-style-type: none"> • ADEK School Digital Policy • ADEK School Educational Risk Policy • ADEK School Extracurricular Activities and Events Policy • ADEK School Health and Safety Policy • ADEK School Healthy Eating and Food Safety Policy • ADEK School In-School Specialist Services Policy • ADEK School Inclusion Policy • ADEK School Physical Education and School Sports Policy • ADEK School Safeguarding Policy • ADEK School Staff Wellbeing Policy • ADEK School Student Behavior Policy • ADEK School Student Mental Health Policy • ADEK School Student Protection Policy • ADEK School Sustainability Policy • ADEK School Wellbeing Policy
Behaviors of Concern	<p>A significant change in behavior (observed in relation to academic performance, interests, social activities, or ability to perform familiar tasks) with the potential to negatively affect an individual's wellbeing or that of others. This also includes “any repeated pattern of behavior, or perception of behavior, that interferes with or is at risk of interfering with optimal learning, wellbeing, physical</p>

	safety, and/or engagement in pro-social interaction with peers and adults” (Smith & Fox, 2003) and includes risky or illegal habits.
Bullying	Repeated physical, social, or verbal aggression exercised by a person who feels they are in a position of power, against another person who is perceived as different, weaker, or powerless, to achieve specific gains or draw attention, in a way that hurts this other person physically and/or emotionally. Bullying can be committed by groups or individuals, in person or online (cyberbullying). The <i>National Bullying Policy for the Prevention of Bullying in Educational Institutions</i> (MoE, n.d.) provides a complete framework for bullying and cyberbullying.
Code of Conduct	A school’s principles, standards, and expectations for student behavior at school and during school-related activities outside the school. It includes a clear statement of what constitutes positive behavior and what constitutes misconduct.
Documented Learning Plan (DLP)	A plan which outlines any personalized learning targets, modifications to curriculum, additional support, or tools for learning which are agreed by school staff, parents, and students (where appropriate), including Individual Educational Plans (IEP), Individual Support Plans (ISP), Individual Learning Plans (ILP), Behavior Support Plans (BSP), Advanced Learning Plans (ALP), etc. This may be to address any specific identified academic, behavioral, language, or social and emotional need.
Extracurricular Activities	Organized activities that students can participate in that are external to the school. Activities can be athletic, cultural, intellectual, philanthropic, and/or social in nature.
Misconduct	Conduct that is not in line with behavioral expectations or the school's Student Code of Conduct.
Tiered Model of Support	An approach to meeting the different needs of students which acknowledges that most needs can be met by the teacher (Tier 1: Universal), whilst some may require specific interventions (Tier 2: Targeted) and a few may require a high degree of personalization and possibly external support by specialists (Tier 3: Intensive and Individualized). This includes models such as the Multi-Tiered System of Supports (MTSS), Graduated Approach Model, and others.
Parent	The person legally liable for a child or entrusted with their care, defined as the custodian of the child as per the Federal Law No. 3 of 2016 Concerning Child Rights (Wadeema).
Positive Behavior	The expected standards of student behavior as set out in the school’s Student Code of Conduct. Such behavior is conducive to

	the learning, wellbeing, and safety of the student and others in the school community.
Positive Handling	An approach to resorting to the least intrusive form of physical contact using reasonable force as the only available option to prevent harm to self and others. Positive handling involves not using more force than is reasonably required to intervene through physical contact, such as guiding an injured student to safety by the arm to more extreme circumstances such as restraining a student who is violently injuring a peer.
Student Behavior	A student’s responses to situations and stimuli, including the appropriateness or inappropriateness of their words, mannerisms, attitudes, and actions toward other students, staff, or members of the wider school community.

6. As there is an obligation to re-enroll all students as per the [ADEK School Student Administrative Affairs Policy](#), where a school fails to re-enroll a student who has faced disciplinary action in the previous year, this is classified as expulsion. Schools shall therefore seek approval from ADEK (see [Section 4.9 Approval for Expulsion](#)).

4. Decision of the appeal: Where an appeal has been made and following a review by the persons concerned (e.g., teacher, social worker, and/or counselor), the school shall issue a final decision (accept or reject) within 2 working days for suspension cases and within 7 working days for expulsion cases and share the decision with the parent.
5. If the school does not respond to the appeal within 3 working days or the parent rejects the school's final decision, the parent shall be entitled to log a complaint to ADEK within 5 working days.
6. ADEK reserves the right to investigate any complaint in conjunction with suspension and expulsion following the school's final decision, but not prior to it, unless the school has not issued its final decision within the timeframe stipulated.

4.8 Positive Handling: Schools are authorized in certain circumstances, in order to maintain good order, to physically intervene to prevent students from harming themselves or others and allow staff to use reasonable force.

1. When choosing to restrain a student, all other options shall initially be considered, and positive handling shall be the last resort in managing situations. Schools are authorized to use positive handling to protect students, in circumstances such as to prevent students from:
 - a. Leaving the classroom or school premises, where allowing the student to leave would risk their safety and/or that of others.
 - b. Injuring themselves and/or others.
 - c. Damaging property.
2. Any response to extreme behavior should be reasonable and proportionate, and conducted with minimal usage of physical force and staff shall consider the risks and carefully consider any vulnerabilities of the student (e.g., vision and hearing impairment, mobility restrictions, mental health needs, medical conditions). Such conduct shall only be in accordance with the following:
 - a. The student should be in immediate danger of harming themselves and/or others.
 - b. The member of staff should have good grounds for believing this.
 - c. Only the minimum force necessary to prevent injury or damage should be applied.
 - d. Every effort should be made to secure the presence of other staff before positively handling a student, for the purpose of securing assistance or witnesses.
 - e. Once the situation is deemed to be no longer dangerous, the student should be allowed to regain self-control.
3. Schools are prohibited from using force as a form of punishment, which constitutes maltreatment, in line with the [ADEK School Student Protection Policy](#). This is considered unlawful.

3. Clarify steps students should take when confronted with bullying behavior when they are in the position of someone who is being bullied, who is bullying, and who is witnessing the bullying.
4. Set out procedures for staff to deal with bullying behavior.
5. Describe the support and interventions provided by the school for any student identified as a victim or perpetrator of bullying (see [Section 6. Support and Interventions](#)) and in line with the [ADEK School Student Administrative Affairs Policy](#).
6. Set out the disciplinary procedures that may be taken to address instances of bullying (see [Section 4. Misconduct Policy and Procedure](#)).

- 5.2 Monitoring: Schools shall establish systems to track and monitor instances of bullying (including frequency and severity).

6. Absence

- 6.2 Upon identification, schools shall determine if the student is at educational risk, in line with the [ADEK School Educational Risk Policy](#), or as being potential subjects of maltreatment (neglect), in line with the [ADEK School Student Protection Policy](#). Accordingly, schools are authorized to further escalate actions and develop intervention plans, in line with the [ADEK School Educational Risk Policy](#) and the [ADEK School Student Protection Policy](#), respectively.

Support and Interventions

 2. The provision of professional support to address the specific needs of the student, including counseling, in line with the [ADEK School Student Mental Health Policy](#). This support shall involve engagement with parents and other relevant stakeholders (e.g., teachers) where appropriate, as well as ongoing monitoring of student progress.
 3. Referral to external specialists to provide intensive, individualized, and long-term support. Where such support is provided, parents shall monitor the student’s progress and periodically update a staff member nominated by the school. The staff member is authorized to share this information with relevant stakeholders on a need basis.
- 6.4 In cases where student misconduct has been identified, schools shall take disciplinary action as appropriate and in line with the school’s Misconduct Policy and Procedures (see [Section 4. Misconduct Policy and Procedures](#)), alongside any interventions.
- 6.5 Schools shall ensure that any support and intervention to address a student’s behavior shall not reduce or replace the support available to students with additional learning needs, as outlined in their DLP.

Schools shall develop and implement referral structures, in line with the [ADEK School Student Mental Health Policy](#).

1. Schools shall encourage students and teachers to identify signs of behaviors of concern in students and report them to the school administration via these structures. 7. Searching, Screening, and Confiscation

Schools are also authorized to use metal detectors and mobile phone jammers, if required.

8. Compliance

- 8.1 This policy shall be effective as of the start of the Academic Year 2024/25 (Fall term). Schools are expected to be fully compliant with this policy by the start of the Academic Year 2025/26 (Fall term).
